career objective

I am a responsible and ambitious student (4.43/4.0 GPA) with excellent time management. I am planning to pursue a degree in Computer Science. I am a self-taught programmer proficient in five programming languages. I am looking for experiences to prepare me for a career in Computer Science.

past website work

I have helped three clients in the past create and or modernize their websites using technologies including Wordpress, Wix, and PHP. You can view more details about the individual projects at elijahmock.com/projects or hear some of their stories at elijahmock.com/testimonials.
